

Door Supervisors Refresher + EFAW

Mandatory units

Unit 1. Principles of Working as a Door Supervisor in the Private Security Industry (Refresher)

Unit 2. Application of Physical Intervention Skills in the Private Security Industry (Refresher)

1-day Emergency First Aid at work (EFAW)

During your SIA refresher course, you will be assessed by your instructor on practical skills, such as using communication devices and physical intervention techniques. Additionally, you will take two multiple-choice exams.
